

THE BOXING & WEIGHTS WAREHOUSE P/L

Brian Rule has had over 11 years experience in the sporting goods industry in both the wholesale and retail world. He commenced with two sports stores and progressed to developing a very successful line of boxing equipment which was regarded by many as the best in the industry. After a short break and the successful sale of three arms of his business he is now back to focus on establishing himself as a wholesaler.

His first role is to develop the Industrie line of boxing equipment which will be launched in the first half of 2009. With strong brand recognition from the Industrie line of clothing it is destined to be well received by the astute customers in the boxing and fitness industry.

Brian is also able to offer a great range of weights equipment which includes standard weight plates, Olympic weight plates, kettle bells, dumbbells and lifting bars.

Brian, along with the respectable Industrie Agency has also aligned himself with Yonex Aust. P/L Agency which has been a well established Wholesale & Manufacturing business supplying quality sporting and recreational goods for some years.
